

# Jaguar D-type 1955

## Fia Papers - road registered

1955 Tool room copy to exact original specification

This Jaguar D-Type was build over 7 years by one of the highest ranked Jaguar specialist. The Jaguar has the original 3.4 Litre dry sump engine, original D-Type gearbox by Crosthwaith and Gardiner, original braking system. Original frame made from works technical drawings with correct aluminium bodywork. The car was raced in the Woodcote Trophy, Oldtimer Grand Prix and presented at the Salon Prive! The Jaguar is very dark green, the leather has a very nice patina, the car looks and drives 100% authentic. She is pure fun on the race track, any kind of vintage rally or just for display in our house!
