

Lotus 47 1967

FVA Cosworth engine

Lotus 47 with FVA Cosworth engine 260 PS, 620kg gives a competitive advantage

Exotic very rare Lotus with beautiful Patina. The Lotus comes a big history file+the a TwinCam engine. Car raced in period and is believed to be an Ex Tom Walkingshaw car. Tested in Peter Auto CER1 and very fast 1.6 later prototype car. Not many 47's survived and this example is a very rare original survivor. Completely restored and technical in the latest specification, Fia papers in progress, existing british MOT.
