

Porsche 914/6 Outlaw restored with 2.2S engine

Porsche 914/6 restored with 180PS 2.2S engine, 3 owners from new delivered to USA.
This Porsche 914/6 in the original rare color forest green has been restored. The engine has been completely rebuild 8k ago. Lovely detailed with a good functioning air conditioning .
Wider 15x7J Fuchs wheels makes it great fun to drive specially with its strong engine!
The sporty exhaust is wonderful to listen to, when you go fast!
